 Gabriele Naldini

PRESENTATION

Graduated from Scientific High School and member of the Italian National Swimming Team until I was 20 years old. My father was a Professor of Surgery in Milan and then moved to Piacenza as Director of the Hospital's Surgery Department. I started working in 1994 as a General Surgeon in the Surgery Department directed by my father. In 2000 I moved to Pisa as Head of the Colorectal Surgery Section of the Fourth General Surgery. Since 2010 I have been dealing exclusively with Proctological and Pelvic Floor Surgery.

WORK EXPERIENCE

1994 – CURRENT Pisa, Italia

Medical specialist

- Director of Proctology and Pelvic Floor Multidisciplinary Clinical Center at Azienda Ospedaliero- Universitaria of Pisa (on temporary leave)
- Director of Proctological a Perinel Surgical Unit at Azienda Ospedaliero-Universitaria of Pisa (on temporary leave)
- Director of Proctology and Pelvic Floor School of Italian Society of Surgery S.I.C.
- Consultant at San Rossore Private Hospital of Pisa

EDUCATION AND TRAINING

CURRENT

QUALIFICATIONS ' CAREER

- Degree in Medicine on the 27th March 1992 by the University of Milano with marks 110/110 "summa cum Laude", discussing a doctoral dissertation about the " post traumatic diaphragmatic hernias " with chairman Prof. Ugo Ruberti
- Specialization in Digestive Surgery and Surgical Endoscopy at the University of Milano on the 13th November 1997, with marks 70/70 cum Laude
- During the National Congress of S.I.C. in October 1993 in Milano, he was rewarded with the study grant "ETTORE RUGGERI", which is awarded to the best doctoral thesis about a surgical subject of the previous year.
- Adjunct Professor at University of Medicine of Pisa in the specialization of Gynecology and Obstetrics teaching Coloproctological and Pelvic Floor Surgery
- From 2003 to 2010 member of the Board of Italian Unitary Society of Coloproctology *SIUCP*
- From 2010 to 2019 Coordinator of Coloproctology and Pelvic Floor Educational Center of Pisa
- From 2019 Chief of Proctology and Pelvic Floor Multidisciplinary Clinical Center PPFCC Academy
- From 2019 he has obtained the Italian National scientific qualification of suitability as Associate Professor
- Teaching in IBD Master at University Hospital Of Pisa
- Teaching in Proctology and Pelvic Floor Disease Master at University Hospital of Pisa
 - Teaching in IRCAD Strasbourg
 - Teaching in Colorectal Surgery Master at University la Sapienza di Roma
- Teaching in Colorectal Surgery Master at University on Naples
- ESCP Training Center for Colorectal Robotic Surgery
- ESCP Training Center for Colorectal functional diseases
- Reviewer for: Colorectal Disease; International Journal of Colorectal Disease; Techniques in Coloproctology and others

My training began by attending the University Hospital of Geneva in the Department of Professor Marc Claude Marti, the Douce de Octobre Hospital in the Department of Professor Moreno Gonzales, the Diagnostic and Operative Endoscopy Center of Professor Giuliano Bedogni in Reggio Emilia and Postgraduate Course at St Marks' Hospital in London.

CURRENT

Director of Proctology and Pelvic Floor Multidisciplinary Clinical Center at Azienda Ospedaliero-Universitaria of Pisa

-February 14th 1994 full-time permanent staff by the 2nd Surgical Department of Piacenza Hospital.

-March 27th 2000 4th General Surgery Unit of Azienda Ospedaliero-Universitaria of Pisa, with the responsibility of the Colorectal and Pelvic Floor Service.

-October 12th 2010 Director of Proctological a Perineal Surgical Unit at Azienda Ospedaliero-Universitaria of Pisa

-July 1st 2019 Director of Proctology and Pelvic Floor Multidisciplinary Clinical Center at Azienda Ospedaliero-Universitaria of Pisa

-January 2022 Director of Proctology and Pelvic Floor School of Italian Society of Surgery S.I.C.

-September 2024 on temporary leave from Public System ad working as a Senior Consultatnt in San Rossore Private Hospital in Pisa

F Litta, S Bracchitta, G Naldini, M Mistrangelo, N Tricomi, M La Torre, Donato Francesco Altomare, Marta Mozzon, Alessandro Testa, Daniele Zigiotta, Giuseppe Sica, et al. Surgery 2021

118. Obstructed defaecation syndrome: European consensus guidelines on the surgical management

A Picciariello, PR O'Connell, D Hahnloser, G Gallo, A Munoz-Duyos, O Schwandner, P Sileri, G Milito, S Riss, PA Boccasanta, G Naldini, A Arroyo, F de laPortilla, P Tsarkov, B Roche, C Isbert, M Trompetto, A d'Hoore, K Matzel, E Xynos, L Lundby, C Ratto, E Consten, A Infantino, Y Panis

List of Publications

119. Advantages of robotic surgery in the treatment of complex pelvic organs prolapsed G Naldini, B Fabiani, A Sturiale, E Russo, T Simoncini Updates in Surgery

120. Robotic supracervical hysterectomy and colpo-procto-sacropexy with folded titanized polypropylene mesh for multi-compartmental pelvic organ prolapse: a video-vignette. D Zigiotta, A Sturiale, B Fabiani, L Fralleone, T Simoncini, G Naldini Colorectal Disease: the Official Journal of the Association of of Coloproctology of Great Britain and Ireland 2021

121. Long-term Outcomes of High-Volume Stapled Hemorrhoidopexy to Treat Symptomatic Hemorrhoidal A Sturiale, R Dowais, B Fabiani, C Menconi, FC Porzio, V Coli, G Naldini Ann Coloproctol 2021

122. Does Proctologic Surgery Really Influence Sexual Behaviors?

A Sturiale, B Fabiani, R Dowais, FC Porzio, G Gallo, J Martellucci, Claudia Menconi, Riccardo Morganti, Gabriele Naldini Reviews on Recent Clinical Trials

123. Partial stapled hemorrhoidopexy for second-degree symptomatic hemorrhoidal prolapsed A Sturiale, B Fabiani, L Fralleone, C Menconi, G Naldini Techniques in Coloproctology 25

124. Clinical and functional outcome of surgery for posttraumatic cloacal deformity

A Picciariello, G Gallo, A Sturiale, F Litta, V De Simone, G Martines, Gabriele Naldini, et al. Colorectal Disease 2021

125. Anorectal Physiology Assessment in Patients with Anal Fistula: When Necessary Claudia Menconi, Gabriele Naldini et al. Coloproctology 2021

126. Stem Cell in Cryptoglandular Anal Fistulas Gabriele Naldini, Alessandro Sturiale, Bernardina Fabiani, Felipe Celedon Porzio, Rebecca Aglietti, Claudia Menconi Coloproctology 2021

127. Topical treatment with Beragamot-flavonoid based gels in post surgical wounds after hemorrhoidectomy: preliminary results.

D Cafaro, A Sturiale, M Sinicropi, L Onofrio, A Catalano, G Naldini

-11: 1 (2022). [10.23958/ijirms/vol07-i01/1319]

1. [A multicentre, open-label, single-arm phase II trial of the efficacy and safety of sclerotherapy using 3% polidocanol foam to treat second-degree haemorrhoids \(SCLEROFOAM\)](#)

128 Gallo, R Pietroletti, E Novelli, A Sturiale, R Tutino, P Lobascio, ... Techniques in Coloproctology

1. [Sclerotherapy with 3% polidocanol foam to treat second-degree haemorrhoidal disease: Three-year follow-up of a multicentre, single arm, IDEAL phase 2b trial](#)

129 G Gallo, A Picciariello, R Pietroletti, E Novelli, A Sturiale, R Tutino, ... Colorectal Disease

130 [Predictive factors for functional failure of ventral mesh rectopexy in the treatment of rectal prolapse and obstructed defecation](#)

S Solari, J Martellucci, S Ascanelli, A Sturiale, A Annicchiarico, B Fabiani, ... Techniques in Coloproctology 26

131 [Sacral and Percutaneous Tibial Nerve Stimulation, Stem Cell Therapy, and Transanal Irrigation Device](#)

G Naldini, A Sturiale, C Menconi, B Fabiani, R Aglietti, L Fralleone, ... Anal Incontinence, 85-92
